Re: United States v. Robert Wilson, 19 Cr. 625 (JMF)

Dear Judge Furman:

By the enclosed order of the United States Court of Appeals for the Second Circuit dated December 19, 2022, I was appointed pursuant to the Criminal Justice Act to represent the appellant Robert Wilson in connection with his direct appeal (Docket No. 22-3010). In that connection, I have ordered transcripts of proceedings that are not already available in the district court's electronic record.

Today, I learned from the Southern District Court Reporters that two of the transcripts I have requested are presently under seal. I therefore write to respectfully request that the Court order that these transcripts - from a hearing on June 9, 2022, and sentencing on November 10, 2022 - be made available to me to review by issuing a signed order to that effect. I also ask that the Court specify whether the transcripts should remain under seal for purposes of the appeal, or whether they may instead be made a part of the Court of Appeals' public docket if they are included in the appellant's appendix.

Thank you for your assistance.

Very truly yours,

/s/

Georgia J. Hinde
